## Powerful Legal Solutions That Meet Your Needs

Sheehan Law Firm is a local Gulf Coast law firm committed to the best interests of the individuals and families we serve. **We take the side of people in South Mississippi who are in need of help in their financial lives.**

Whether it's debt relief through Chapter 7 bankruptcy, advocacy in court against an abusive creditor, help with the threat of foreclosure or garnishment of your wages or assistance in getting Social Security benefits, we can provide powerful legal solutions that meet your needs.

## Get Relief From The Anxiety. Stop The Harassment. Regain Control Of Your Life.

Being in debt can be distressing, and it can cause serious family and career problems. When the stress of phone harassment and worries about losing your home or vehicle become overwhelming, it is important to know that you have legal options, including the right to file for bankruptcy under federal law if you qualify.

Whether your debt comes as the result of a job loss, a medical problem or a divorce, or from excessive obligations, **bankruptcy will stop creditors from contacting you** — and it can help you regain control of your life if it fits your situation.

## Leveling The Playing Field And Fighting For Our Clients' Rights

When you are experiencing financial, family or health problems, being harassed and intimidated by collectors and lenders can make life miserable. Creditors are not above the law, and they can be held accountable when they break the law and violate the legal rights of consumers. That's where our [attorneys](#) come in.

We provide aggressive consumer advocacy against banks, credit card companies, collection agencies and other organizations that use their power against those who cannot defend themselves.

## Help With Social Security Disability, Real Estate, Personal Injury And Estate Planning

If you have experienced a disabling injury or illness that is preventing you from working, we can work to help you obtain Social Security Disability Insurance (SSD or SSDI) or Supplemental Security Income (SSI) benefits. You will not be charged attorney fees unless we are successful.

Our firm also provides legal assistance in real estate and estate planning matters, helping our clients protect their interests in transactions and litigation. In addition, we offer personal injury representation and estate planning services to Mississippi residents.
